

4 Courses

Flight mechanics - The basis

Flight Mechanics -  
Anemobarometry

Flight mechanics - Lift and  
trajectory

Flight mechanics -  
Propulsive balance and  
energy

Sep 9, 2024

**Raes Ahmad**

has successfully completed the online, non-credit Specialization

# Fundamentals of Flight mechanics

This Specialization covers basics of flight mechanics (concepts and vocabulary), lift and trajectory control, and thrust, drag, and energy management.

Eric Poquillon  
Lead flight test  
engineer, professor of  
flight mechanics  
ISAE-SUPAERO

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
